Improvements to U.S. Highway 67 Requires Lane Closures in Pulaski & Lonoke Counties

PULASKI & LONOKE COUNTIES (3-17) – Construction work on U.S. Highway 67 northbound lanes in Pulaski and Lonoke Counties requires lane closures, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Beginning **Monday morning, March 20**, crews will remove existing pavement markings, install a temporary barrier wall along the outside shoulder and restripe pavement on U.S. Highway 67 northbound lanes from south of Vandenberg Boulevard (Exit 11A) in Jacksonville to State Highway 5 in Cabot (Exit 16B). The inside and outside lanes of northbound U.S. Highway 67 will alternately be closed to allow for construction.

The lane closures will be in affect at the following times:

- **Monday morning, March 20 from 12:01 a.m. through Monday afternoon, March 20 at 1:00 p.m.**
- **Monday night, March 20 through Saturday morning, March 25**, beginning each evening at **8:00 p.m. and continuing through to 1:00 p.m. the following afternoon**, weather permitting.

Traffic will be controlled using signage and barrels. The public is advised to be cautious when traveling in the work zones.

This project (Job CA0605) is part of AHTD's Connecting Arkansas Program and includes widening 4.6 miles of U.S. Highway 67 from Vandenberg Boulevard in Jacksonville to State Highway 5 in Cabot. The highway is being widened to three lanes in each direction. More information on this \$79.2 million project is available at ConnectingArkansasProgram.com.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
