Arkansas Drivers Reminded to use IDriveArkansas.com for Thanksgiving Holiday Travel Information

LITTLE ROCK (11-17) - The Arkansas Department of Transportation (ARDOT) reminds drivers to "know before you go" and visit IDriveArkansas.com before traveling this Thanksgiving holiday weekend.

Extensive highway improvements continue in the state. With those improvements come work zones. To aid in your holiday travel, ARDOT has been working hard to open as many lanes as possible. Still, travelers will likely face work zones and possible delays due to increased traffic volume.

The American Automobile Association (AAA) predicts that more than 50.9 million Americans will travel more than 50 miles from home. That is 1.6 million more travelers than last year and 45.5 million are likely to make a road trip of it. The Thanksgiving holiday travel period is defined as Wednesday, November 22 through Sunday, November 26.

To help motorists find ways around accidents and work zone backups on Interstates, ARDOT has an Alternate Routes feature on IDriveArkansas.com. It displays linkages between the Interstate corridors and secondary routes that motorists may consider when travel is delayed. You can also follow us @myARDOT.

Below is a list of closures on Arkansas' Primary Highway Network during the holiday weekend. Motorists are encouraged to look at IDriveArkansas.com to find closures that are on secondary and tertiary routes.
