### **Work Requires Lane Closure on State Highway 112 in Springdale**

**BENTON COUNTY (3-7)** – Work associated with constructing the U.S. Highway 412 Northern Bypass requires a lane closure on State Highway 112, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Beginning **Thursday, March 9**, a single lane of traffic will be open on State Highway 112 between Carrie Smith Road and West Miller Road as crews work to shift traffic from existing Highway 112 to new pavement adjacent to the highway. This single lane of traffic will be controlled using flaggers, traffic barrels and warning signs.

The lane closure will occur **Thursday, March 9 through Saturday, March 11, from 9:00 a.m. to 3:30 p.m.**, weather permitting. Two lanes of traffic will be restored daily by 3:30 p.m.

This project (Job CA0907) is part of AHTD's Connecting Arkansas Program. The contractor is constructing approximately four miles of the new four-lane U.S. Highway 412 Northern Bypass, which extends from Interstate 49 to State Highway 112. The project is expected to be completed mid-2018 and will provide a principal east-west route north of the Springdale Metropolitan Area. More information on this \$100.6 million project is available at [ConnectingArkansasProgram.com](http://ConnectingArkansasProgram.com).

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ArkansasHighways.com](http://ArkansasHighways.com).
