### **Improvements to U.S. Highway 67 Requires Frontage Road Lane Closures in Pulaski & Lonoke Counties**

**PULASKI & LONOKE COUNTIES (3-30)** – Construction work on U.S. Highway 67 frontage road T.P. White Drive in Pulaski and Lonoke Counties requires an intermittent lane closure, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Continuing **Sunday night, April 2**, crews will be working on box culvert construction under T.P. White Drive adjacent to U.S. Highway 67 between Vandenberg Boulevard in Jacksonville and State Highway 5 in Cabot. The northbound and southbound lanes of T.P. White Drive will alternately be closed in multiple areas within the construction zone. Traffic will be reduced to one open lane and controlled with flagging operations.

The lane closures will be in effect from **Sunday night, April 2 at 8:00 p.m. through Saturday morning, April 8 at 1:00 p.m.**, weather permitting.

The public is advised to be cautious when traveling in the work zones.

This project (Job CA0605) is part of AHTD's Connecting Arkansas Program and includes widening 4.6 miles of U.S. Highway 67 from Vandenberg Boulevard in Jacksonville to State Highway 5 in Cabot. The highway is being widened to three lanes in each direction. More information on this \$79.2 million project is available at [ConnectingArkansasProgram.com](http://ConnectingArkansasProgram.com).

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ArkansasHighways.com](http://ArkansasHighways.com).
