Construction Work Requires Traffic Shift on State Highway 365

PULASKI COUNTY (4-13) – Replacement of the Union Pacific Railroad Overpass Bridge on State Highway 365 requires a traffic shift in North Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Traffic will be moved onto the newly constructed section of roadway on **Friday, April 14**. Parkway Drive will be closed underneath the State Highway 365 (MacArthur Dr.) overpass from **9:00 a.m.** to **4:00 p.m.**, Monday through Friday starting on **Monday, April 17** and continuing for several weeks, weather permitting.

Drivers may experience delays on Friday, April 14, as work will be continuing during the traffic shift. Starting on Monday, April 17, traffic will be detoured around the closure via State Highway 365. This closure will allow the contractors to remove the existing structure over Parkway Drive.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
