### **UPDATE!!!**

## **Improvements Require Traffic Shift and Lane Closures on U.S. Highway 67/167 in Jacksonville**

**PULASKI COUNTY (4-12)** – Construction on U.S. Highway 67/167 in Jacksonville requires a traffic shift onto the new construction and lane closures, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Weather permitting, alternating lane closures will occur from **9:00 p.m. on Thursday, April 13** through **7:00 a.m. on Friday, April 14**. This will allow crews to shift northbound traffic from existing lanes onto the newly constructed lanes of U.S. Highway 67/167.

Southbound traffic of U.S. Highway 67/167 will not be affected by either the closures or the traffic shift.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ArkansasHighways.com](http://ArkansasHighways.com).
