Maintenance to State Highway 376 Requires a Temporary Closure and Lane Closures in Camden

OUACHITA COUNTY (4-13) – Maintenance work on State Highway 376 requires both a temporary closure and lane closures in Camden, according to Arkansas State Highway and Transportation Department (AHTD) officials.

State Highway 376 will be closed from State Highway 79 to State Highway 7, only local traffic will be allowed. This will allow crews to remove and begin replacing a cross-drain structure. Truck traffic must remain on State Highways 278, 79 and 7 to travel around or through Camden. Weather permitting; this closure will occur Monday, April 17 and **Tuesday, April 18.**

Starting on **Wednesday, April 19**, all traffic will be routed on the westbound lanes and reduce to one lane in each direction until the project is completed.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
