Department Identifies Preferred Alternative for State Highway 35 / U.S. Highway 65 Realignment

CHICOT COUNTY (5-9) – The Arkansas State Highway and Transportation Department (AHTD) has identified a preferred alternative at Halley Junction for a State Highway 35 realignment project in Chicot County, according to AHTD officials.

Following a review of potential impacts to the communities of Halley and Dermott, as well as comments received from a public involvement meeting held January 31, 2017 to discuss the project, Alternative 3 has been identified as the preferred alternative in the realignment of the State Highway 35 and U.S. Highway 65 intersection. A map of the preferred alternative is attached.

For more information, contact the Arkansas State Highway and Transportation Department's Public Information Section at 501-569-2000 or info@ahtd.ar.gov.
