### **Construction on Interstate 49 Requires Overnight Lane Closure in Benton County**

**BENTON COUNTY (5-8)** – Construction on Interstate 49 in Bentonville and Rogers requires overnight lane closures on I-49, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Beginning **Wednesday night, May 10**, crews will be performing bridge construction on I-49 that requires closures on northbound and southbound lanes. The inside and outside lanes will alternately be closed and traffic shifted as needed between Southeast Walton Boulevard/West Walnut Street (Exit 85) and East Central Avenue (Exit 88) for construction. Traffic will be controlled using signage and traffic barrels.

The overnight lane closures will occur **Wednesday, May 10 through Friday, May 12, from 9:00 p.m. to 6:00 a.m.**, weather permitting.

This project (Job CA0902) is part of AHTD's Connecting Arkansas Program and includes widening 3.5 miles of I-49 to three lanes in each direction. The work extends from Highway 62/102 to Highway 72 and includes constructing auxiliary lanes from Highway 62/102 toward Southeast Walton Boulevard. Construction is expected to complete in late 2017. More information on this \$27.7 million project is available at [ConnectingArkansasProgram.com](http://ConnectingArkansasProgram.com).

Drivers should exercise caution when approaching and traveling through all highway work zones.
