UPDATE!!

Improvements on Interstate 40 Require Shoulder Closures in Pulaski County

PULASKI COUNTY (6-21) – Investigation of soil characteristics along I-40 requires shoulder closures in Pulaski County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

This closure has been rescheduled due to anticipated weather. Weather permitting; contractors will have closures along the shoulders of I-40, between mile markers 145 and 147, near Maumelle. These closures will now occur between **9:00 a.m. to 3:00 p.m.** from **Tuesday, June 26** through **Wednesday, June 28**. This soil testing is needed for designing the proposed new Maumelle interchange with I-40 near the old Morgan Rest Area.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
