Temporary Pedestrian/Biking Trail Closure Near Interstate 49 in Rogers

BENTON COUNTY (6-23) – Construction work to widen I-49 in Rogers requires work above a pedestrian/biking trail, according to Arkansas State Highway and Transportation Department (AHTD) officials.

During overnight hours from **Sunday night, June 25 through Thursday morning, June 29**, the Razorback Greenway Trail south of Exit 82 Promenade Boulevard will be closed to allow crews to paint bridge steel. The work will take place **from 9:00 p.m. to 5:00 a.m.** each night, weather permitting.

This project (Job CA0901) is part of AHTD's Connecting Arkansas Program and includes widening 5 miles of I-49 to three lanes in each direction. The work extends from Highway 264 in Lowell to New Hope Road in Rogers, and it is expected to complete in late 2017. More information on this \$38.7 million project is available at ConnectingArkansasProgram.com.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
