Maintenance Work on State Highway 207 Requires Temporary Closure and Detour

DALLAS COUNTY (8-21) – Maintenance work requires temporary closure and traffic detour on State Highway 207, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting; on **Monday, August 21** and **Tuesday, August 22** State Highway 207 will be closed to through traffic between State Highway 7 at Ouachita and State Highway 128 just south of Sparkman. This closure will allow crews to replace a pipe culvert.

Local traffic will be permitted; however through traffic traveling on State Highway 7 north will be detoured to Sparkman and then use State Highway 128 to return to Holly Springs.

Traffic will be controlled using flaggers, signage and traffic cones. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
