Maintenance Work Requires Lane Closure and Width Restriction on Frontage Road in Little Rock

PULASKI COUNTY (9-5) – Maintenance work to the bridge deck of the Interstate 30 frontage road over I-430 requires an alternating lane closure and width restrictions, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting; there will be alternating lane closures on the I-30 westbound frontage road where it crosses over I-430 and a width restriction of 14 feet. These closures will occur between **7:30 a.m.** and **3:30 p.m.** for **Wednesday, September 6** and **Thursday, September 7**.

Traffic will be controlled with signage and traffic cones. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
