UPDATE!

Work Requires Lane Closures on State Highway 112 in Springdale

BENTON COUNTY (10-06) – Work associated with constructing the U.S. Highway 412 Northern Bypass requires lane closures on State Highway 112, according to Arkansas Department of Transportation (ArDOT) officials.

Weather permitting, crews will continue to lay final pavement **through Saturday, October 14**. From **9:00 a.m. to 4:00 p.m.** each day, one lane of traffic will remain open on State Highway 112 between Carrie Smith Road and West Miller Road. The lane closure will alternate between the northbound and southbound lane.

Traffic will be controlled using flaggers, traffic barrels and warning signs. Two lanes of traffic will be restored daily by 4:00 p.m.

This project (Job CA0907) is part of ArDOT's Connecting Arkansas Program. The contractor is constructing approximately four miles of the new four-lane U.S. Highway 412 Northern Bypass, which extends from Interstate 49 to State Highway 112. The project is expected to be completed mid-2018 and will provide a principal east-west route north of the Springdale Metropolitan Area. More information on this \$100.6 million project is available at ConnectingArkansasProgram.com.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
