Work to Require Closure of State Highway 10 in Little Rock

PULASKI COUNTY (10-27) – Work related to maintenance of elevators at the Statehouse Convention Center will require State Highway 10 (La Harpe Blvd.) to be closed most of Saturday, October 28, according to Arkansas Department of Transportation officials.

Beginning at 8:30 a.m., La Harpe will be closed between State Street and West Markham Street to allow Otis Elevator to stage a crane. The closure is anticipated to last until approximately 3:00 p.m.

Detour signs and barricades will be in place to redirect traffic. Drivers should exercise caution when approaching and traveling through all highway work zones.
