Maintenance Work on State Highway 187 Bridge (Beaver Dam) Requires Closure

BENTON COUNTY (9-11) – Maintenance work by the U.S. Army Corps of Engineers on State Highway 187 (Beaver Dam) will resume and the work requires closing it to traffic, according to officials from the Arkansas Department of Transportation (ARDOT).

State Highway 187 will be closed on **Tuesday, September 18** and will remain closed for the following two weeks. The recommended alternate route is U.S. Highway 62. This closure will allow crews to perform required maintenance. More information about this project is available by contacting the Corps of Engineers at 479-626-1210.

Traffic will be controlled with signage and traffic cones. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
