Broadway Bridge Work Requires Lane Closures in Pulaski County

PULASKI COUNTY (3-16) – Bridge work by contractors for Pulaski County requires closing both northbound lanes of the Broadway Bridge in Little Rock, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, on **Saturday, March 17**, crews will close both northbound lanes from **8:30 a.m. to 4:00 p.m.** The two southbound lanes will be open and used for two-way traffic. Northbound and southbound traffic will use the southbound lanes, separated by traffic cones.

Pulaski County contractors will use a truck-mounted crane to lift and install a 60-foot steel flagpole on the bridge.

Drivers should exercise caution when approaching and traveling through work zones. Additional travel information be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
