### **Maintenance Work on State Highway 187 Bridge (Beaver Dam) Requires Closure**

**BENTON COUNTY (4-30)** – Maintenance work by the U.S. Army Corps of Engineers on State Highway 187 (Beaver Dam) requires closing it to traffic, according to officials from the Arkansas Department of Transportation (ARDOT).

State Highway 187 will be closed on **Monday, April 30** and will remain closed for the following three weeks. The recommended alternate route is State Highway 62. This closure will allow crews to perform required maintenance. More information about this project is available by contacting the Corps of Engineers at 479-626-1210.

Traffic will be controlled with signage and traffic cones. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ARDOT.gov](http://ARDOT.gov).
