Arkansas Drivers Reminded to use IDriveArkansas.com for Memorial Day Holiday Travel Information

LITTLE ROCK (3-24) - The Arkansas Department of Transportation (ARDOT) reminds drivers to “know before you go” and visit IDriveArkansas.com before traveling this Memorial Day holiday weekend.

Extensive highway improvements continue through the state. With those improvements come work zones. To aid in your holiday travel, ARDOT has been working hard to open as many lanes as possible. Still, travelers will likely face work zones and possible delays due to increased traffic volume.

The American Automobile Association (AAA) predicts that more than 41.5 million Americans, nearly 5% more than last year, will travel more than 50 miles from home.

To help motorists find ways around accidents and work zone backups on Interstates, ARDOT has an Alternate Routes feature on IDriveArkansas.com. It displays linkages between the Interstate corridors and secondary routes that motorists may consider when travel is delayed. You can also follow us on Twitter [@myArDOT](https://twitter.com/myArDOT).

Below is a list of closures on Arkansas’ Primary Highway Network during the holiday weekend. Motorists are encouraged to look at IDriveArkansas.com to find closures that are on secondary and low traffic volume routes.
