Routine Bridge Inspection Requires Temporary Lane Closures in Clark and Hot Spring Counties

CLARK & HOT SPRING COUNTIES (7-20) – A routine bridge inspection requires temporary lane closures on Interstate 30 at the Clark and Hot Spring County Line, according to Arkansas Department of Transportation (AR DOT) officials.

Weather permitting, crews will close the westbound outside lane **Monday, July 23** from **8:00 a.m.** until **12:00 p.m.** between Mile Markers 80 and 83. This closure will allow crews to inspect the I-30 bridge over DeRoche Creek.

Traffic will be controlled with signage and traffic barrels. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
