Maintenance on Interstate 430 Requires Moving Lane Closure

PULASKI COUNTY (8-6) – Maintenance operations on Interstate 430 require a moving lane closure, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews, with the help of the Arkansas Highway Police, will create a moving lane closure in the north and southbound inside lanes of I-430 between mile markers 0 to 10. These closures will be in place between **9:00 a.m.** and **3:00 p.m.** on **Tuesday, August 7**. These closures will allow crews to apply herbicide on the median.

Traffic will be controlled with signage and Arkansas Highway Police. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
