State Highway 234 to Reopen to Through Traffic

LITTLE RIVER COUNTY (8-22) – State Highway 234 between State Highway 41 and State Highway 108 has been re-opened to through traffic, according to Arkansas Department of Transportation (ARDOT) officials.

This section of roadway was closed to through traffic on July 19, 2018, to replace the culverts at Hurricane Creek. The contractor will continue work in this area over the next few weeks, placing new asphalt on the roadway, completing the roadway slopes, seeding, and placing right of way fencing.

Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
