### **Routine Maintenance Requires Lane Closures on Interstate 40**

**FRANKLIN COUNTY (10-19)** – Routine pothole patching requires temporary alternating lane closures on Interstate 40, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, on **Monday, October 22**, crews will continuously close the outside eastbound lane of I-40 between Mile Marker 25 and Mile Marker 40. Once work in the eastbound lanes is complete, work will begin in the westbound lanes. The westbound lane closures will be alternating lane closures between **7:00 a.m. and 7:00 p.m.**

Anticipated completion is late November.

Traffic will be controlled with signage and traffic barrels. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ARDOT.gov](http://ARDOT.gov).
