Maintenance Requires Lane Closures on Interstate 40 in North Little Rock

PULASKI COUNTY (10-26) – Maintenance on Interstate 40 requires temporary lane closures in North Little Rock, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close the two inside eastbound lanes of I-40 between the I-30 and North Hills Blvd (Exit 154) interchanges from **7:00 p.m. to 5:30 a.m.** from **Sunday, October 28** through **Friday, November 2**, excluding **Wednesday, October 31** (Halloween night). This closure will allow crews to repair pavement in that section.

Traffic will be controlled with signage and traffic cones. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
