Improvements Require Highway Closure in Pottsville

JOHNSON COUNTY (11-30) – Improvements require closure of State Highway 331 (River Road) in Pottsville, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close a portion of State Highway 331 from W. Ash Street to W. Abraham Road on **Monday, December 3** for an estimated 40 calendar days. The closure will allow crews to demolish the existing bridge and replace it with a box culvert.

Traffic will be controlled with signage and traffic barrels. Drivers should exercise caution when approaching and traveling through all highway work zones.
