### **Routine Bridge Inspection Requires Alternating Lane Closures on the State Highway 229 Bridge over the Saline River**

**SALINE COUNTY (2-12)** – A routine bridge inspection will require an alternating lane closure on the State Highway 229 Bridge over the Saline River just west of Benton, according to officials from the Arkansas Department of Transportation (ARDOT).

Weather permitting; traffic on State Highway 229 will be reduced to one lane over the Saline River Bridge from 9:00 a.m. to 3:00 p.m. on Thursday, February 14. This closure will alternate between northbound and southbound lanes as the inspection progresses.

Traffic will be controlled with signage and traffic barrels. Drivers should exercise caution when approaching and traveling through all highway work zones.
