Routine Inspection of Millwood Dam Requires Temporary Closure of State Highway 32

LITTLE RIVER COUNTY (2-15) – A routine inspection of the Millwood Dam by the U.S. Army Corps of Engineers requires a temporary closure of State Highway 32, according to officials at the Arkansas Department of Transportation (ARDOT).

Weather permitting, the U.S. Army Corps of Engineers will conduct a routine investigation of the Millwood Dam’s sluice gate conduits at the base of the spillway. This inspection requires the temporary closure of State Highway 32 from Little River 34 to River-Run E starting at **8:00 a.m.** and continuing until **4:00 p.m.** on **Sunday, February 17.**

For more information from the U.S. Army Corps of Engineers please call (501 or 870) 898-3343.

Traffic will be controlled with signage and traffic barrels. Drivers are encouraged to plan extra travel time and should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
