Lane Closure Hours on U.S. Highway 62 Spring River Bridge Reduced

LAWRENCE AND RANDOLPH COUNTIES (3-26) – The hours for alternating lane closures on the U.S. Highway 62 Spring River Bridge are being reduced, according to officials from the Arkansas Department of Transportation (ARDOT).

For the past two weeks, routine maintenance on the bridge has required alternating east and westbound lane closures be in place 24-hours a day with nine-foot width restrictions. Beginning **Wednesday, March 27**, crews will resume 7:00 a.m. to 5:00 p.m. daily lane closures, Monday through Thursday. Width restrictions will apply during the closures. It is expected that closures will remain in effect for the next four weeks, weather permitting.

Traffic will be controlled with temporary traffic signals, traffic barrels and barriers. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
