Bridge Deck Rehabilitation Requires Bridge Closure

CRAWFORD COUNTY (4-30) – Rehabilitation on County Road 44 (Old Graphic Street) Bridge requires the bridge to be closed, according to Arkansas Department of Transportation (ARDOT) officials.

Crews have closed the Old Graphic Street overpass of Interstate 40 to rehabilitate the bridge deck. Traffic may detour using U.S. Highway 64, County Road 63 (Georgia Ridge Road), County Road 156 (Chastain Road), and Booth Road. The closure is expected to last three weeks, weather permitting.

Traffic will be controlled with signage, barricades and traffic barrels. Drivers should exercise caution when approaching and traveling through all highway work zones.
