## Arkansas Drivers Reminded to use IDriveArkansas.com for Memorial Day Holiday Travel Information

**LITTLE ROCK (5-22)** – The Arkansas Department of Transportation (ARDOT) reminds drivers to “know before you go” and visit [IDriveArkansas.com](http://IDriveArkansas.com) before traveling during this Memorial Day Holiday.

Extensive highway improvements continue through the state. With those improvements come work zones. To aid in your holiday travel, ARDOT has been working hard to open as many lanes as possible. Still, travelers will likely face work zones and possible delays due to increased traffic volume.

This long holiday weekend, marking the unofficial start of summer vacation season, will see the second-highest travel volume on record since American Automobile Association (AAA) began tracking holiday travel volumes. The AAA predicts that more than 37 million Americans will travel by automobile and more than 50 miles from home between Thursday, May 23 and Monday, May 27.

To help motorists find ways around accidents and work zone backups on Interstates, ARDOT has an Alternate Routes feature on [IDriveArkansas.com](http://IDriveArkansas.com). It displays linkages between the Interstate corridors and secondary routes that motorists may consider when travel is delayed. Additionally information on closures due to weather impacts is available on these maps. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).

Below is a list of closures on Arkansas’ Primary Highway Network during the holiday weekend. Motorists are encouraged to look at IDriveArkansas.com to find closures that are on secondary and low traffic volume routes.

Route	County	City	Mile Marker	Distance	Lanes Closed	Time
I-530	Jefferson	Pine Bluff	35-46	11 miles	One Lane Both Directions	24 hours
Hwy 67	White	Bald Knob	9-10	1 mile	Outside Northbound Lane	24 hours
Hwy 19	Nevada	Prescott	1-2	0.5 mile	One Lane	24 hours
