Utility Work Requires Alternating Lane Closures in North Little Rock

PULASKI COUNTY (7-5) – Utility work on State Highway 107 will require alternating lane closures in North Little Rock, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, AT&T crews will alternately close the inside and outside southbound lanes of State Highway 107 between E Avenue and Idlewild Avenue. These closures will be in place between **9:00 a.m.** and **3:00 p.m. on weekdays** starting on **Monday, July 8** and continuing through **Friday, July 26**. This closure will allow AT&T contractors to access manholes and work on underground utilities.

Traffic will be controlled by signage and traffic barrels. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
