Environmental Clean-up Requires Temporary Lane Closures on Interstate 30 in Little Rock

PULASKI COUNTY (7-5) – Environmental clean-up requires temporary lane closures on I-30 in Little Rock, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, remediation contractors with TAS Environmental Services will close the outside lanes of I-30 in both directions under the I-440 overpass bridge at the South Terminal Interchange between **6:00 p.m.** and **6:00 a.m. on the night of Monday, July 8** and again **the night of Tuesday, July 9**. This work is to clean up fuel and other hazardous fluid spilled when a commercial vehicle accident occurred on June 22 and will involve removal and replacement of topsoil.

Traffic will be controlled by signs, message boards, and cones. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
