Construction Requires Temporary Road Closures in Jonesboro

CRAIGHEAD COUNTY (7-12) – Construction along U.S. Highway 63B (Nettleton Avenue) between Watt Street and Central Street in Jonesboro requires temporary road closure, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close Highway 63B (Nettleton Avenue) between Watt Street and Central Street beginning **Monday, July 15 at 8:00 a.m.** to reconstruct the roadway. Detours will direct traffic around this area by using alternate routes (see attached map). This closure is anticipated to be complete by mid-August.

This work is part of a project (100824) that is constructing an overpass for State Highway 18 over the Burlington Northern Santa Fe Railway railroad crossing. The contract was awarded to Capital Paving and Construction, LLC in October 2018 for the amount of \$25,182,888.88. The project is estimated to be complete early 2022.

Traffic will be controlled with signage and barricades. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
