Maintenance at the South Terminal Interchange Requires Temporary Lane Closure on Interstate 440

PULASKI COUNTY (10-8) – Maintenance crews will replace a crash attenuator at the South Terminal Interchange that will require a lane closure, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close the westbound inside lane of I-440 (Exit 138B) **Thursday, October 10** from **9:00 a.m. to 3:00 p.m.**

Traffic will be controlled by traffic barrels and signage. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
