### **Improvements to Interstate 40 Require Ramp Closures**

**CRITTENDEN COUNTY (10-17)** – Improvements to Interstate 40 require ramp closures, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close the eastbound entrance and exit ramps to Interstate 40 at State Highway 38 (Martin Luther King Drive) beginning **Friday, October 18** for reconstruction. The estimated completion of this portion is early December, 2019. Traffic will detour to Interstate 55 southbound (Exit 4) for the Martin Luther King Drive Exit.

Traffic will be controlled by traffic barrels and signage. Drivers should exercise caution when approaching and traveling through all highway work zones.
