Improvements Require Lane Closure in Yellville

MARION COUNTY (10-14) – Improvements require single lane closure or a width restriction on State Highway 14, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, operations will begin **Tuesday, October 15 at 6:00 a.m.** to allow crews to perform work to the bridge over Crooked Creek on State Highway 14. This restriction will remain in place daily until work is completed, which is estimated to take approximately 30 days.

Traffic will be controlled by advance warning signs, signal lights, and traffic barrels. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
