Bridge Repair Requires Temporary Closure Of State Highway 114

CLEVELAND COUNTY (10-18) – Crews repairing a bridge deck on State Highway 114 in Cleveland County will require a road closure next week, according to Arkansas Department of Transportation (ARDOT) officials.

Crews will be repairing a bridge deck over Kesseee Creek that will require closure of the highway between U.S. Highway 63 and State Highway 35 beginning **Tuesday, October 22 at 8:30 a.m.** and continuing through **Wednesday, October 23 until 5:00 p.m.**, weather permitting.

Local traffic will be allowed, however, through traffic will be routed through a detour. Eastbound traffic will continue on Highway 35 to Highway 63. Traffic will then travel north on Highway 63 to return to Highway 114. Westbound traffic will travel south on Highway 63 and then turn west on Highway 35.

Signage will direct traffic through the detour area. The public is advised to be cautious when traveling in work zones. Drivers may consider finding alternate routes as delays may occur.

Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
