Maintenance on the Bull Shoals Dam Requires Closure of State Highway 178

BAXTER COUNTY (11-20) – Maintenance to the Bull Shoals Dam requires temporary closure of State Highway 178, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, the U.S. Army Corps of Engineers will close Highway 178 from **6:30 a.m. until 5:30 p.m.** daily on **November 22** and **November 23** to install equipment used to perform maintenance on the dam's sluice gates.

The closure has been coordinated with local emergency and law enforcement agencies. Travel to locations on Hwy 178 past the Bull Shoals Dam will require a detour using Highway 178 through Flippin, Highway 62-412 through Gassville, Highway 126 and Hwy 5 through Midway, and Highway 178 through Lakeview.

For more information, contact the Mountain Home Project Office at 870-425-2700.

Traffic will be controlled by traffic barrels and signage. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
