Improvement of State Highway 141 Requires Long Term Closure in McDougal

CLAY COUNTY (12-2) – Improvement of State Highway 141 requires a long term closure of that route in the city of McDougal, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close State Highway 141 about a half mile south of the intersection of State Highway 141 and U.S. Highway 62 in McDougal. This closure will allow for the removal and replacement of the Little Cache River Ditch Bridge. It is anticipated that the road will reopen mid-2020.

Traffic will be controlled by traffic barrels and signage. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
