Routine Bridge Inspection Requires Alternating Lane Closures in Little Rock

PULASKI COUNTY (2-6) – A routine bridge inspection of Interstate 440 between the South Terminal Interchange and the Little Rock Airport requires an alternating lane closure, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, from **9:00 a.m. to 3:00 p.m.**, crews will perform alternating lane closures of the outside lanes **Monday, February 10** through **Thursday, February 13**.

Traffic will be controlled by traffic barrels and signage. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
