2020 Transportation Alternatives Program and Recreational Trails Program Seminar Postponed

LITTLE ROCK (3-16) – As recommended by health officials, the Arkansas Department of Transportation (ARDOT) is engaging in social distancing mitigation measures to help combat the spread of COVID-19 in Arkansas communities by rescheduling or cancelling certain events.

For this reason, ARDOT will be **postponing the March 17, 2020, Application Seminar**. ARDOT's priority is the safety of its employees and the traveling public. This meeting will be rescheduled at a later date, still to be determined.

At this time, the informational seminar planned for Tuesday, April 7, 2020, in Springdale will still occur as scheduled. If this changes, additional information will be provided.

After the March information seminar is rescheduled, the application deadline (currently scheduled as May 1, 2020), may be extended to allow adequate time for the rescheduled information session and for completion of applications.
