### **2020 Transportation Alternatives Program & Recreational Trails Program Public Meeting Rescheduled and Application Deadline Extended**

**LITTLE ROCK (4-3)** – Previously, the March 17, 2020 and April 7, 2020 Application Seminars for the 2020 Transportation Alternatives Program (TAP) and Recreational Trails Program (RTP) application cycle were postponed in an effort to promote social distancing and to mitigate the spread of COVID-19 in Arkansas. The Arkansas Department of Transportation (ARDOT) is now rescheduling these application seminars in the format of a webinar on April 16, 2020.

For instructions on how to access the webinar, please refer to ARDOT's TAP webpage at [www.ardot.gov/tap/tap.aspx](http://www.ardot.gov/tap/tap.aspx). Attendees will need to register to attend the webinar and receive login information.

Due to the postponement of the previous application seminars and to allow for additional time to complete applications, the application deadline is being extended to **Wednesday, July 1, 2020**. The applications available on ARDOT's TAP webpage have been updated to reflect the new deadline.

A recording of the April 16, 2020, webinar will be posted on ARDOT's TAP webpage shortly following the event.
