Work on Interstate 30 Requires Lane Closures in Little Rock

PULASKI COUNTY (04-10) – Crews performing utility design work along the Interstate 30 corridor in Little Rock will require ramp and adjacent roadway lane closures, according to Arkansas Department of Transportation (ARDOT) officials.

Design work on the 30 Crossing project will require lane closures in select areas along I-30. Weather permitting, this work will occur during daytime hours **Tuesday, April 14 through Friday, April 17, between 9:00 a.m. and 3:00 p.m.**

- **On the Westbound I-30 exit ramp to 2nd Street**, crews will close the left shoulder and left-turn lane. Vehicles will still be able to turn left at the stop sign.
- **On adjacent city streets**, various lanes and shoulders in Little Rock will be closed during the week, including lanes on President Clinton Avenue near Mahlon Martin Street and 4th Street east and west of the I-30 bridges.

Traffic will be controlled with construction barrels and signage. Non-interstate traffic will also include flaggers. The public is advised to be cautious when traveling in the work zone.

The 30 Crossing project (Job CA0602) is part of ARDOT's Connecting Arkansas Program. More information on the CAP is available at ConnectingArkansasProgram.com.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
