Construction Requires Alternating Lane Closures at the Intersection of Highland Drive and Caraway Road in Jonesboro

CRAIGHEAD COUNTY (5-8) – Construction to improve traffic operations at the intersection of Highway 18 (Highland Dr.) and Caraway Road in Jonesboro requires alternating lane closures, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will begin work and conduct alternating lane closures along both Highland Drive and Caraway Road starting on **Monday, May 11 and continuing through the length of the project (expected completion mid-2021)**. This work will consist of installing new drainage structures, constructing additional left turn lanes, and installing new traffic signal equipment.

Traffic will be controlled by signage, flaggers, vertical panels, and traffic drums. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
