Maintenance Work Requires Temporary Closure of Highway 351 (Industrial Drive) Bridge over Whiteman Creek in Jonesboro

CRAIGHEAD COUNTY (5-15) – Maintenance work on the Highway 351 (Industrial Drive) bridge over Whiteman Creek in Jonesboro will require a temporary closure of all bridge lanes, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close the Industrial Drive bridge over Whiteman Creek in Jonesboro between the hours of **8:00 a.m. and 5:00 p.m.** starting on **Monday, May 18** and continuing **through Thursday, May 21**. Drivers should use the frontage road connection to Highway 463 (Nettleton Avenue) in place of the Industrial Drive bridge and businesses north of the bridge can be accessed by using the north terminal of Industrial Drive at Nettleton Avenue.

Traffic will be controlled by traffic barricades and signage. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
