### **Routine Maintenance of the Interstate 55 Mississippi River Bridge Requires Temporary Lane Closure**

**CRAIGHEAD COUNTY (7-17)** – Routine maintenance work on the Interstate 55 Mississippi River Bridge will require a temporary lane closure, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will put in place a closure for the outside northbound lane between **7:00 a.m.** and **4:00 p.m.** starting on **Monday, July 20** and continuing through **Thursday, July 23**. This closure will allow crews to complete maintenance on the superstructure of the bridge.

Traffic will be controlled by traffic cones and signage. Drivers should exercise caution when approaching and traveling through all highway work zones.
