### **Routine Bridge Maintenance on Highway 20 Will Require Temporary Closure in Phillips County**

**PHILLIPS COUNTY (7-24)** – Routine maintenance of the Highway 20 Bridge over the Floyd Bayou will require a temporary closure in Phillips County, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close the Highway 20 Bridge over the Floyd Bayou starting at **8:00 a.m. on Monday, July 27**. This bridge is just west of the intersection of Highway 20 and Highway 20 Spur south of Helena-West Helena. The closure will allow crews to conduct maintenance of the sub-structure pilings and caps and is expected to last for one week.

Traffic will be controlled by traffic cones, barricades, and signage. Drivers should exercise caution when approaching and traveling through all highway work zones.
