Improvements to Cantrell Road Require Overnight Lane Closures on Interstate 430 in Little Rock

PULASKI COUNTY (8-11) – Improvements to Cantrell Road (Highway 10) will require overnight lane closures on Interstate 430 in Little Rock, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close the inside lanes of both northbound and southbound traffic on I-430 from Rodney Parham Road to the Arkansas River Bridge starting at **8:00 p.m. Thursday night, August 13 until 6:00 a.m. the following morning**. This closure is needed to allow preparatory work to begin for a new overpass that will be constructed over I-430.

Traffic will be controlled by traffic cones and signage. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
