Maintenance Work on Interstate 40 White River Bridge Will Require Temporary Lane Closure

PRAIRIE COUNTY (8-14) – Maintenance work on the Interstate 40 White River Bridge will require a temporary lane closure in Prairie County, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close the outside eastbound lane of the I-40 White River Bridge (mile markers 198-200) **from 8:30 a.m. to 3:30 p.m. on Monday, August 17**. This closure will allow crews to repair damage done to the parapet wall and guard rail.

Traffic will be controlled by traffic cones and signage. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
