Maintenance on Interstate 440 Requires Daily Lane Closure

PULASKI COUNTY (8-21) – Maintenance on a barrier wall on Interstate 440 requires daily lane closures, according to Arkansas Department of Transportation (ARDOT) officials.

Weather permitting, crews will close the eastbound inside lane of I-440 between mile markers 4 and 6 from **8:00 a.m.** to **3:30 p.m.** each day beginning **Monday, August 24** through **Wednesday, August 26**. This closure will allow crews to repair an inside barrier wall between Lindsey Road (Exit 4) and the Arkansas River Bridge.

Traffic will be controlled by traffic cones and signage. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ARDOT.gov. You can also follow us on Twitter [@myARDOT](https://twitter.com/myARDOT).
